Works for me. I'll send a cal invite.

I'll pull together all financials. LACC is getting us a recommendation for clean services next week. Steve's proposal took us through the first year of the new BID, but not beyond that. I'm going to speak with him next week about getting us a recommendation through 2023.

Thanks and see you next week.

How about 11:00 AM. Also we'll need the 2017 YTD financials and Y/E 2015 and 2016 for comparison. Have you heard anything recently, post Jan 1, from Steve re: staffing and how he plans to have lots of Green Shirts on the street as well as a social worker? If not one or both of us need to get on the phone with him so we have those costs, with a staffing level we agree with, for our meeting.

So glad you asked – it was on my to-do list today to set that up with you.

Can you do Monday the 20th? My day is free anytime after 10:30am.

Ellen:

When will we have a budget discussion with respect to the renewal(s)?

Thanks
